No such expenses shall be approved without the prior written consent of the Director. 7. METHODS OF PAYMENT The COUNTY agrees to make monthly or partial payments to the ENGINEER, in accordance with Prompt Payment Ordinance No. 94-40, currently in effect or as amended in the future, for all authorized work performed during the previous calendar month or other mutually agreed invoicing period. To pay for the functions of the Office of the Inspector General, any and all payments to be made to the Contractor under this contract will be assessed one quarter (1/4) of one (1) percent of the total amount of the payment, to be deducted from each progress payment as the same becomes due unless, as stated in the Special Conditions, this Contract is federally or state funded where federal or state law or regulations preclude such a charge. **The Engineer shall in stating its agreed process be mindful of this assessment, which will not be separately identified, calculated or adjusted in the proposal or bid form.** The audit cost shall also be included in all change orders and all contract renewals and extensions.

The Miami-Dade Office of Inspector General is authorized to investigate County affairs and empowered to review past, present and proposed County and Public Health Trust programs, accounts, records, contracts and transactions. In addition, the Inspector General has the power to subpoena witnesses, administer oaths, require the production of witnesses and monitor existing projects and programs. The (Contractor/Vendor/Consultant) shall incorporate the provisions in this section in all subcontracts and all other agreements executed by the (Contractor/Vendor/Consultant) in connection with the performance of this contract.

**Subject:** CBE Compliance Review  
Project No. E06-SWM-01  
Professional Consulting Engineering Services

Small Business Affairs, Department of Procurement Management (SBA/DPM) has completed its review of the above-referenced project for compliance with the Community Business Enterprise (CBE) Program for Architectural and Engineering Services. The contract measure established for this project is a 36% CBE sub-consultant goal.

The Office of Capital Improvements (OCI) has submitted proposals (subsequent to its first-tier meetings) from CH2M Hill, Inc. (#3), Camp, Dresser & McKee (#4), and Westhorp & Associates, Inc. (#6), for compliance review.

CH2M Hill, Inc. (#3) submitted the required Schedule of Participation that listed CBE sub-consultants Milian, Swain & Associates, Inc. to perform Solid Waste Collection and Disposal Systems, General Civil Engineering, and Engineering Construction Management at 14%, Globex Engineering & Development, Inc. to perform Solid Waste Collection and Disposal Systems, Geotechnical & Materials Engineering Services, General Civil Engineering, and Engineering Construction Management also at 14%, Nadic Engineering Services, Inc. to perform Geotechnical & Materials Engineering Services and General Civil Engineering at 5%, and Robayna and Associates, Inc. to perform Surveying and Mapping-Land Surveying at 3%. CH2M has listed General Civil Engineering for three of its four subconsultants as an area that is being utilized to meet the CBE-A/E goal, despite the fact the scope of work for this project does not identify General Civil Engineering as being required. The Letters of Intent submitted were in agreement with the Schedule of Participation. CH2M Hill, Inc. is in compliance with the CBE Participation Provisions.

Camp, Dresser & McKee (#4) submitted the required Schedule of Participation that listed CBE sub-consultants CES Consultants, Inc. to perform Geotechnical and Materials Engineering Services and Engineering Construction Management at 12%, Delta Surveyors, Inc. to perform Surveying and Mapping - Land Surveying at 6%, and ES Consultants, Inc. to perform Solid Waste Collection & Disposal Systems and Engineering Construction Management at 18%. The Letters of Intent submitted were in agreement with the Schedule of Participation. Camp, Dresser & McKee is in compliance with the CBE Participation Provisions.

Westhorp & Associates, Inc. (#6) a certified CBE firm submitted the required Schedule of Participation that listed itself to perform Solid Waste Collection and Disposal Systems and Engineering Construction Management at 36%, satisfying the established CBE measures by utilizing its own forces. Westhorp & Associates, Inc. is in compliance with the CBE Participation Provisions.

I have reviewed the Contract Award Recommendation for a Professional Services Agreement (PSA) between Westthorp & Associates, Inc. and Miami-Dade County Department of Solid Waste Management; Project No: E06-SWM-01; GOB 14-70116 for GOB funding concurrency. There is \$57,000 allocated in Series 2005-07 GOB bonds according to the updated GOB database as noted below and \$0 have been expended to date. The funding schedule for this project as shown in the GOB database indicates that \$856,000 of additional GOB funds will be available from the sale of the next series bonds projected to be sold in 2007-08. The GOB funding schedule reflects that a total of \$11,250,000 will be available in GOB funds through fiscal years 2011-12.

The value of the Contract Award Recommendation is \$5,390,000 over a contract period of four (4) years. It is recommended that the Department of Solid Waste Management proceed with the Contract Award Recommendation based on the availability of sufficient funding in accordance with the GOB funding schedule.
